

Vaccine Clinic for Rising 7th and 12th Graders in Fluvanna County!

The Health Department is offering the following vaccines for all:

- Rising 7th Graders— Tdap, HPV, and Meningococcal vaccines
- Rising 12th Graders—Meningococcal vaccine

This event is BY APPOINTMENT only!
Call 434-591-1960 to schedule.

WHEN: July 21, 2021

4:30 pm to 6:30 pm

WHERE: Fluvanna County Health Department
Route 15, County Office Building, Palmyra

- COVID-19 precautions will be in place so remember to wear your face mask
- All people will receive a COVID screening (not a test) - If anyone is sick or has fever, we cannot give a vaccine that day

Parent/guardian must be present for student to get vaccinated.

Must bring a copy of your child's insurance card(s).

Please note: Insurance status does not determine your child's eligibility to get vaccinated.
